

REMEMBRANCE SUNDAY

Cameron Highlanders of Ottawa (Duke of Edinburgh's Own)

We welcome this morning members of the Cameron Highlanders of Ottawa, their families and friends.

The relationship between the Regiment and St Giles is long-standing, going back to the 1930s. The Rev. Dr John Logan-Vencta was minister at St Giles for 39 years and Chaplain of the Regiment for 28 years. The Regiment's colours were laid up at St Giles during World War II. The colours were reclaimed by the Regiment in May 1947. When the Queen presented new Colours in 1967, the former Queen's and Regimental Colours were paraded to St Giles where they hang in the sanctuary today.

We thank all Camerons who participated in the service today.

We thank Major Denis Tondreau of the Regiment and Jeffery Hill, President of the Regimental Association, for being our readers. We also thank bugler MCpl Peter Limeburner, and piper Cpl. Brennan Pinkerton-Kock of the Cameron Highlanders for participating in the Act of Remembrance.
